Subject EPA's draft revision to the Port's 104(e)

Hello, David. As a follow-up to our meeting with the Port on March 13, 2008 regarding the Port's 104(e) Information Request, EPA agreed to consider how the definition of Property could be revised to address the Port's unique circumstances at the harbor. EPA staff has drafted the enclosed changes. The draft change has not been approved by EPA management. Please review these draft changes and call me as soon as possible to discuss. Thanks.
